

Sun Valley, Idaho – 2019-2020

Lace Up Those Skates!

Do you want to learn basic fundamentals to get started? Are you ready to master more challenging skating skills? Either way, our comprehensive approach on conquering individual elements gives you the skills, the knowledge, the urge to go far on the ice. And even further in life.

About the Program

A curriculum that offers something for everyone—from the first steps on the ice to mastering advanced techniques. Solid skill development based on the ABCs of basic athleticism—Agility, Balance, Coordination and Speed. A progressive system that, upon completion of the program, allows skaters to confidently advance to more specialized areas of skating.
